

Treasurer needed

Autscape is ...

... a small, autistic-led charitable company running a unique, annual conference. Autistic people often feel isolated and excluded in an 'alien' society. Autscape provides a space where autistic people feel truly comfortable and can be themselves.

"For the first time in my life, I was in a place where it was Earthlings who had to conform to ET norms and not the other way round." (An autistic person attending an Autscape conference for the first time)

Turnover £10-20K p.a.

You can ...

- Help to provide a unique opportunity for autistic people from the UK and around the world.
- Benefit from a rare opportunity to work with autistic people as colleagues and collaborators
- Gain 'insider' experience of and insight into autism
- Develop project management, communication and disability awareness skills

You will need ...

- To become a trustee and director of Autscape (the board would prefer to co-opt a qualified candidate as soon as possible)
- To attend monthly board meetings online (currently held on Sundays)
- To regularly read and respond on closed email lists to participate in communication within the board and on subcommittees
- To be willing to commit an average of 4-6 hours per month, plus more May-July
- Experience of maintaining accurate financial records using the accruals method and in a suitable format for the production of annual accounts for a charitable company
- Sufficient financial skills to advise Autscape's board on financial matters, ensure the organisation's compliance with relevant legislation and carry out the typical responsibilities of a treasurer
- Patience and willingness to adapt to the needs of autistic colleagues
- To be able and willing to travel to London at least several times a year to visit Autscape's accountants or be qualified to prepare suitable accounts
